

ISABELLA

Mobile accessory holder pole for hygiene and isolation material

The current COVID-19 pandemic has given us all new habits. Rubbing disinfectant on our hands and wearing protective gloves has become daily routine everywhere.

So here comes ISABELLA, the quick-change pole!

ISABELLA stands on its own and can be moved anywhere because it has a 5-wheeled base.

And it can be accessorized at will, for example with:

- glove box holder: for 1 or 3 boxes
- refillable disinfectant dispenser, 500 ml
- bottle holder, if using a disinfectant with its own bottle and dispenser
- Hyppo, the wonder carryall hook in Nylon
- grid basket in plastic coated steel for disposable overboots and gowns
- wastebag holder in steel wire for 8 / 12 L capacity bags

Many more [accessories](#) are available: these fit our height-adjustable accessories bars of 25x10 mm,!

ISABELLA – Technical Data
